

↑ APOLLO pants

Men's technical pants for movement in the vertical world and for daily wear to work or school.

DESCRIPTION

2 front and 2 back comfort pockets.

Elastic band in the side seam for attaching a brush for cleaning the holds.

The pants are finished with an enzymatic wash that makes them soft to the touch, shrunken and maximally comfortable.

The possibility to tighten the width of the legs with an elastic band hidden inside the legs.

Fastening of the pants with a high-quality YKK metal zipper and a metal button with the SINGING ROCK logo.

The ergonomic REGULAR FIT cut with shaping at the knees and the inset gusset at the crotch guarantee maximum freedom of movement.
